**Re: *The Satanic Temple, Inc. v. Newsweek Digital, LLC* (22-cv-1343)
Joint Request for Extension of Discovery Deadline**

Dear Judge Vyskocil:

Pursuant to Individual Civil Rule 2(G), Plaintiff The Satanic Temple, Inc. (“The Satanic Temple”) and Defendant Newsweek Digital, LLC (“Newsweek”) jointly request a sixty (60) day extension of the deadline to complete fact discovery to November 7, 2023. The current deadline is September 8, 2023. (ECF 34). This is the first extension requested by either party.

To date, the Parties have worked expeditiously to comply with the current discovery deadline. They have served and responded to written discovery, substantially completed exchange of their respective document productions, and met and conferred regarding party and third-party depositions. However, the Parties have reached a disagreement regarding the scope of discovery as outlined in their Joint Discovery Letter, filed on August 2, 2023. (ECF 39). That matter is currently before Magistrate Judge Sarah Cave and has been scheduled for hearing on August 28, 2023. (ECF 41). Relatedly, the Parties have been unable to reach an agreement regarding the scope of questioning during certain third-party depositions, and will promptly be filing a joint discovery letter requesting the Court’s assistance in resolving that dispute.

Given these outstanding questions regarding the scope of discovery, which will not be resolved before August 28th at the earliest, the Parties respectfully request this extension of the fact discovery deadline in order to provide sufficient time to schedule and prepare for depositions in accordance with the Court’s ruling on the discovery disputes.

Respectfully submitted,

CROWN LAW
